

AIA Newark and Suburban and the Construction Specifications Institute

13th Annual Charity Golf Outing

Join us for a great day of golf and friendship.

All proceeds will benefit First Cerebral Palsy of New Jersey, a Non-Profit Organization which cares for and educates children and adults who have a wide range of physical disabilities. Your sponsorship is very important. Through your support in prior years, nearly \$75,000 in financial support has been provided to this deserving and wonderful charity organization

This has enabled them to construct a new outdoor play area, purchase computers for a lab, and make other meaningful contributions to improve the environment for learning and enjoyment.

With your participation we can ensure that this tradition of camaraderie and generosity continues to build upon a solid foundation.

We hope to see you there.

Monday, July 20th, 2009
